BOARD OF TRUSTEES

Susan Bartlett, Chair  
HYDE PARK SELECTBOARD

Re: September 9, 2020, Prospect Street Streetscape

Dear Mrs. Bartlett,

This letter informs you of action taken by the Board of Trustees at their September 9, 2020 regular meeting. This action was recommended by the Planning Commission. The September 9, 2020 Planning Commission was attended by residents of Prospect Street.

The Board of Trustees shares the concerns of Prospect Street residents and offers support to these residents as they take their appeals and requests to the Selectboard.

Board of Trustee Action:

Motion by Jack Anderson and second by Peter Gallo. Unanimously carried.

The Board of Trustees requests that the Selectboard halt paving of Prospect Street until a proper Streetscape Project process with resident participation is completed.

Recognizing that Public Trees on Prospect Street were cut without due process, the Board of Trustees asks that the Selectboard appropriately satisfy residents issues and reassure Village residents that, in the future, Public Trees will not be cut within the Town Right-of-Way without due process.

Please let us know if there is anything that we can do to assist in the satisfactory resolution of this matter.

ON BEHALF OF THE BOARD OF TRUSTEES

Respectfully yours,

*Carol Robertson*
